

QUINTIN PROCTOR

SALES SPECIALIST

Austin, TX • (512) 765-3111 • admin@kyubexx.com • kyubexx.com

PROFESSIONAL SUMMARY

Results-driven customer operations and account management professional with proven expertise in customer acquisition, client retention, and consultative problem resolution. Demonstrated track record managing client accounts, coordinating direct outreach campaigns, streamlining operational workflows, and delivering high-volume sales. Adept at high-stakes communication, inbound/outbound customer support, CRM systems, and technical troubleshooting.

EXPERIENCE

Call Centre Executive | TFLI (US) Inc. – Austin, TX

Sep 2026 – Present

- Manage high-volume inbound and outbound customer inquiries, providing consultative support and rapid conflict resolution.
- Drive client satisfaction, account retention, and service compliance across complex corporate customer portfolios.
- Utilize multichannel communications and CRM tools to track customer interactions, log detailed case data, and ensure first-call resolution.

Assistant Accounts Manager Intern | AT&T Authorized Retail Partner – Austin, TX

May 2026 – Jul 2026

- Managed key corporate customer accounts, ensuring high customer satisfaction, retention, and seamless account onboarding.
- Coordinated direct sales campaigns across target regional territories, contributing to consistent monthly target achievement.
- Mentored and supported field sales representatives on product positioning, lead qualification, and consultative closing techniques.
- Tracked pipeline activity and enrollment metrics to report actionable performance updates to sales leadership.

Director of Retail Operations & Commercial Sales | Scentborne – Rollingwood & Austin, TX

Jun 2022 – Feb 2026

- Generated \$400K+ in verifiable gross sales across retail kiosk locations and direct consumer pop-ups through consultative selling and territory expansion.
- Directed all end-to-end business operations, including staff scheduling, payroll administration, vendor sourcing, and inventory logistics.
- Developed dynamic pricing models, product cataloging, and promotional social media campaigns to maximize retail margins.
- Successfully managed client relationships, revenue pipelines, and operational asset transfers leading to a structured business acquisition.
